

The Roadmap - Eight Areas of Focus

1. Ensure a safe and healthy learning and teaching environment;
2. Identify and implement a schoolwide instructional focus;
3. Improve teaching and learning through professional collaboration teams;
4. Identify, learn and use effective, research-based teaching practices;
5. Realign resources (people, time, talent, energy, money) to support the instructional focus;
6. Promote measurable gains in learning for every student by implementing an internal accountability system based on student learning goals;
7. Engage families and the community in supporting the instructional focus and student attendance; and
8. Build expertise in selected best practices through a targeted professional development plan.
