

Vehicular and Other Traffic on School Grounds

Because of danger to children who use school play fields and because of damage to playfields or lawns, the following activities are prohibited on school district premises:

1. horseback riding;
2. use of motorized scooters, automobiles, motorized go-carts, motorcycles, or any other type of motor vehicle; and
3. any other activity which is judged to be dangerous to children on school premises or to the quality of the premises.

The following are exceptions:

1. school supervised driver training;
2. approved parking;
3. school maintenance and servicing crews; and
4. athletics which use the normal play area.

The board directs the superintendent to prepare appropriate regulations to implement this policy.
