

Attention all Yakima School District Employees:

Automatic payroll deductions are now an option for Yakima School District employees who are willing to help support the Yakima Schools Foundation. We believe your donations will create a win-win opportunity for funding much-needed programs in our schools. Interested employees are encouraged to complete the "Request for Payroll Deduction Authorization Form" or you may contact the payroll office. Additional questions may be directed to the Yakima Schools Foundation, Patty Dion 457-0898.

Who We Are

The Yakima Schools Foundation is a grass roots community organization working to expand and enhance learning opportunities for students attending school in the Yakima School District. As a private nonprofit 501 (c) (3) tax exempt organization, the YSF has the flexibility to seek, accept, invest and channel funds without the restrictions imposed on public school districts. The Yakima Schools Foundation works cooperatively with, but is independent from the Yakima School District.

Thank you for considering a donation to The Yakima Schools Foundation.

If you prefer, please designate your donation to be used in support of programs at _____ School.
