Ernesto Araiza, Principal.....573-2401
John Gonzales, Assistant Principal.....573-2403
Gané Bourgeois, Assistant Principal.....573-2404

April 30, 2020

Dear Wilson Families,

Most Wilson students are making an effort to connect with teachers during the week for long distance learning. We will continue to make attempts to connect with students that we show have not had communication with anyone at the school. If you receive this letter and your student has not participated in distance learning please give us a call at 509-573-2402 to arrange communication and learning for your student.

Many parents and students have inquired about the grading process used for distance learning. We will be following the OSPI grading guidelines. Our philosophy in grading will be: “Do No Harm” and to give students the opportunity to improve their grades using their March 17th status as a baseline. All students will receive either an A, B, C or Incomplete grade as determined by their teacher. We recognize the challenges this unforeseen school closure has caused all of us and our priority is your student’s physical and emotional well being. All and any effort on your students’ behalf will be considered an attempt to improve their learning.

We will also continue to follow the schedule below so students can organize their week to participate in teacher’s online meetings or office hours. Students will continue to receive assignments on Mondays.

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
CAVS/PE/EXP	Math	ELA	Science	Social Studies

Some teachers may make special arrangements to meet with students outside of these specific days, if so, they will communicate this to your student/s.

If you have any questions concerning this schedule, grading or distance learning in general please contact the administrative team at 509-573-2401 for Mr. Araiza; 509-573-2403 for Mr. Gonzales; 509-573-2404 for Ms. Bourgeois.

We hope that you continue to remain safe and healthy! Thank you always for your continued support, patience, kindness, and grace.

Sincerely,

Your Wilson Administrative Team
